RELOCATION SERVICES & 50 YEARS OF EXCELLENCE

Welcome to Express International Group!

We would like to thank you for the opportunity to provide you with our services for your forthcoming relocation. This profile will introduce you to EIG; who we are, our capabilities and why you can trust us with your household goods and personal effects. Whether you are moving locally or globally, we look forward to being of service and wish you all the best for your new adventure!

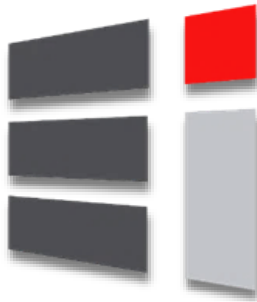

EXPRESS
INTERNATIONAL
GROUP

Since 1970

“We have the knowledge of the business practices, regulations, and ways-of-working in our markets. We provide you with the ultimate logistical solutions and deliver the most accurate, reliable and cost-effective fulfillment and delivery experience.”

George Nazzal - Founder

EXPRESS
INTERNATIONAL
GROUP

Since 1970

Founded by its late owner Mr. George Nazzal back in 1970, Express International Group has always had a special vision for the Egyptian market where it first operated and expanded. EiG's winning formula for success in supply chain services includes personalized service at every step of the process. We thrive on communication and understand that efficient communication is at the heart of a successful relationship.

LOCAL & INTERNATIONAL MOVE ASSISTANCE

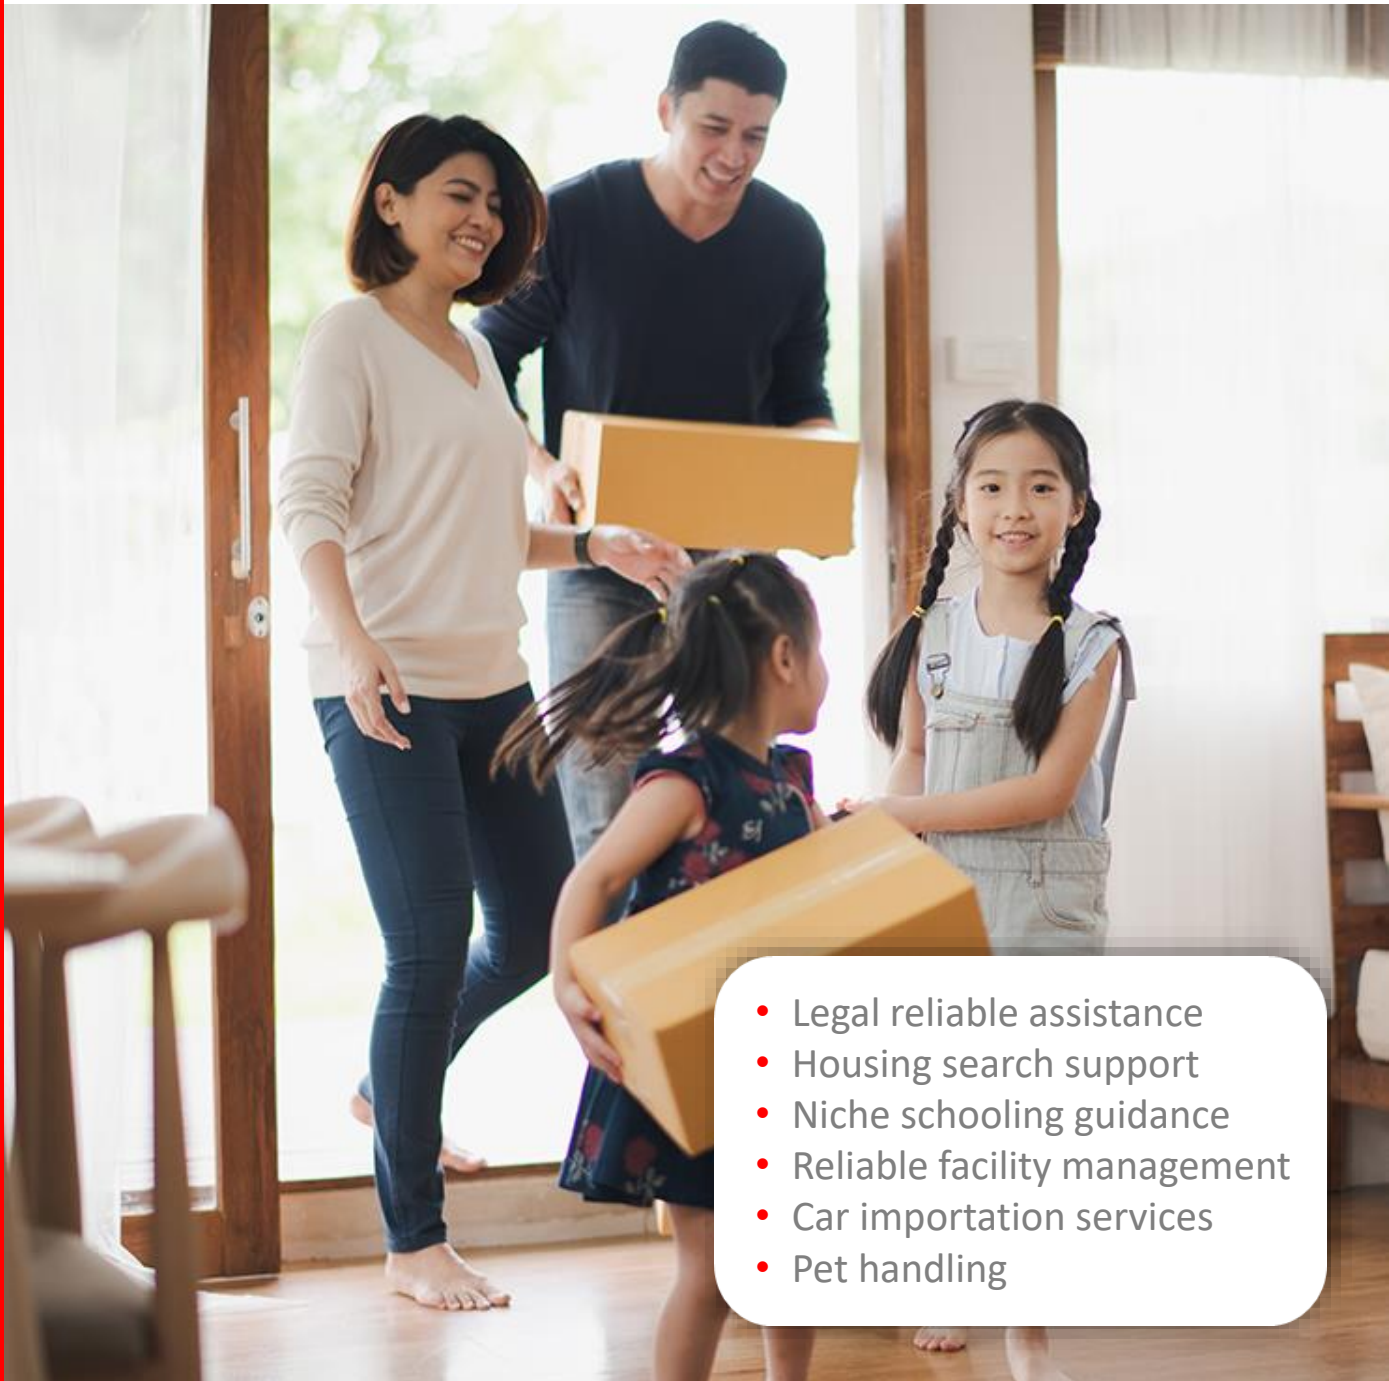

50 years of Excellence & Dedication

- 
- Pre-move survey /counseling
 - Transparent job costing
 - Wrapping & Packing
 - Short/Long term Storage
 - Door to Door handling
 - Global network support

Our expertly trained removal teams assists you in moving personal belongings globally. Working with each client on a bespoke solution tailored for their needs inclusive of import, export and of course, domestic removals. All methods are covered including dedicated container (FCL), through less than container load (LCL), Groupage to Air Freight. As part of the world's largest removals network, EIG ensures your move runs smoothly with door to door communication and contact guaranteed.

GLOBAL RELOCATION SUPPORT

50 years of Excellence & Dedication

- Legal reliable assistance
- Housing search support
- Niche schooling guidance
- Reliable facility management
- Car importation services
- Pet handling

Relocation assistance service is comprised of a wide spectrum of subservices that aim to ensure your family relocation is as smooth as ever; we provide guidance into any foreign environment till you become comfortable in your new surroundings. Through our periodically evaluated vendors we provide advice regarding schooling, housing, facility management and reliable referrals to medical facilities all over the countries where our branches operate. Utilizing 50 years of experience and reliable alliance, your relocation can't be easier!

CORPORATE RELOCATION ASSISTANCE

50 years of Excellence & Dedication

- 
- Regular reefer services
 - Air & Sea freight handling
 - Temperature monitoring
 - Regional Hauler Insurance
 - Regional branches network
 - Local regulations fluency

Well organized and detailed planning of every move allows us to coordinate hundreds of employees effortlessly. Our specialists sit together with the procurement department and map out every step of the move months before the move takes place. EIG's goal is to limit downtime so that a move does not interrupt ongoing corporate operations. A professional pre-move survey is carried out to ensure the need for any special equipment is scheduled and managed professionally.

FINE ARTS LOGISTICS

50 years of Excellence & Dedication

- 
- Wrapping & Packing
 - Storage & Retrieval
 - Shipping & Installation
 - Customized warehousing
 - Last mile deliveries
 - Fully insured services

Being specialists in packing, crating, handling, storage and transport of artwork, artifacts and exhibit pieces along with other works of art we ensure safe arrival of your valuable cargo in mint excellent condition. We also accommodate any special requirements for safe and reliable transport of artworks of various types and sizes. A long term storage and retrieval service is also offered to our customers to substantially reduce their operating expenses, provide them with a safe operating environment with professional technicians present to extend any assistance needed.

SELF STORAGE

Due to the increased demand for personal storage spaces managed by customers, EIG is currently investing in a state of the art facility that provides customers with secure storage locations, managed by CCTV and available for them 24/7. Customers can order additional services including wrapping and consolidation for sea/air cargo. We always try to satisfy your expectations and present unique solutions to stay ahead of the game.

A VALUE CHAIN AT YOUR FINGER TIPS...

ATTENTIVENESS to Every Detail

Our approach is simple. We listen. We get to know you and your business in order to fully understand your needs, priorities and challenges. We use this knowledge to ensure each and every load is handled with the attention it deserves; so you can run your business, while we take care of all the details.

ADAPTABILITY to Changing Requirements

At EIG Logistics, we understand your business moves fast. Our nimble internal structure ensures we're always Ready to react to your changing needs, usually at a moment's notice.

EXPERIENCE that Makes a Difference

Our seasoned, high-energy team is composed of professionals from diverse industries and backgrounds, including logistics, customs brokerage, distribution, operations and accounting. Working with us means partnering with a qualified team that gets the job done right, every time.

PASSION for Everything We Do

Beyond a passion for everything logistics, our Desire to constantly exceed our clients' expectations is what drives our enthusiasm every day. Trust us with your most complex logistical projects and watch us deliver more than you ever expected.
